AUGUST 2023

Summer greetings! August is upon us and there are plenty of activities, entertainment and good times ahead.

Please read inside for details and use the calendar to know when you can join in the fun. Updates are written on the white

board on the 1st and 2nd floors. While there are dinners and day trips that do cost money, there are a variety of events and entertainment that do not. Also, please feel free to make suggestions for programs that you would like to see at the Boyle Center. Both Julie and I have different roles and try to provide you with a variety of options.

Location, location, location! The Boyle Center is ideal for downtown events and, Auburn has some great entertainment coming up just down the street with the 1st Annual Chicken Wing Fest and Founders Day. The VFW and the Vietnam Veterans Chapter 704 is having a Chicken BBQ on Sat. Aug. 12th to raise money to help bring the Wall that Heals. If you would like the Chicken BBQ please see your service coordinator by August 8th. The Wall that Heals is a movable wall that travels to cities across America for Veterans, families and visitors to remember the 58,000 service members that lost their lives. The Wall that Heals will be coming to Falcon Park Sept. 14-17th. We will schedule a Scat Van trip to see the wall for those who would like to go and need transportation.

These are only a few events taking place in our community. There are plenty of options and opportunity, if you choose to get involved. There is also a lovely patio at the Boyle Center where you can sit and relax with a good book, or gather with friends. So many reasons to smile!

Enjoy this month!
